

## What Size Are You?

PPAChicago Volunteers are All Different Sizes!

### Small(S) – Phone Calls

You would like to be more involved in PPAChicago, but need to do it on your time? Size small can accommodate you. Throughout the year, we look for volunteers to make phone calls to our members and potential members. Share your PPAChicago excitement during these phone calls to recruit Exhibitors for the show, ask members why they joined or why they have not renewed, or if they would like to sponsor an upcoming event.

### Medium(M) – Event Day Volunteer

Still not ready for more than a one day commitment? Size medium is all about event day volunteering. We are always in need of help the day of an event for set up, registration and tear down.

### Large(L) – Committee Member

Have ideas on programs that you want to share? Like to plan and execute these ideas? Then size Large is just for you! Sit on one of our many committees and help plan events, education and assist us in growing our membership.

### Extra Large(XL)– Board Member

Want to make BIG changes in PPAChicago policies and direction, then it's time to run for the board. Voted on once a year by the membership, our board members serve a two year term and chair one or two of the committees.
