**Congratulations to the PPAI Scholarship  
Recipient on behalf of PPACHicago  
Avra Reddy of Grayslake, IL**

To PPACHicago Members:  
Thank you for awarding this scholarship as  
it means a great deal and for recognizing

that the higher education of America's youth is vital to our society's progress! Ever since I was young, I've loved to learn, whether in the classroom , reading an article online, or observing the world around me. My education has always meant a great deal to me. This scholarship will help me to further my education. It will help me to learn more and become better versed in the problems facing our society. As I learn more, I can promote positive change.

Thank you again for recognizing the power of education and the effect that it can have on a young person's life.

Sincerely,  
Avra Reddy

### **INDUSTRY NEWS**

Since 2010, PPB has been hosting an annual competition for the "Best Bosses in the Promotional Products Industry". Each year, nominators must explain why they consider their boss to be the best. They must provide examples of how their boss has acted as a mentor, exemplified leadership, achieved success, and created a collaborative work environment.

This year's competition ran from June 12th to July 10th, with over 100 individuals who were nominated by those who report to them. However, out of these 100 people, only 15 managers made it into the spotlight- One of them being Show Your Logo's president, Don Forsell!
